

Disclosure Statement

Date: March 16th, 2022

Subject: LOTES IP Disclosure Statement for SFF-8639 Rev. 2.1

To whom it may concern:

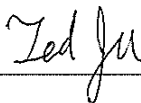

SFF-8639 Rev. 2.1 (Multifunction 6X Unshielded Connector)

LOTES believes that it has obtained patent protection that may include claims essential to SFF-8639 Rev. 2.1. These include claims in patents within the families containing one or more of the following patents or applications:

CN201710535453.8, CN202120990756.0

In accordance with its obligations under the SNIA IP Policy, LOTES hereby agrees that for any Essential Claims, issued now or in the future, LOTES will grant a license on reasonable and non-discriminatory terms to companies requesting such a license. Please note that LOTES reserves the right to increase the cost for a licensee that refuses to take a license and forces LOTES to use legal action in order to enforce LOTES's rights.

Sincerely,

TED JU

Chairman of LOTES Co., Ltd.
