Subject: Molex LLC's Licensing Statement to SNIA for Specification SFF-TA-1026

To Whom It May Concern:

On behalf of the above company, and being authorized by the company to make such representations, we indicate the following:

Molex, LLC hereby grants a free, irrevocable license to SNIA to incorporate text contained in any Molex contributions and any modifications thereof in the creation of this SNIA Specification into the SNIA Specification, and at the SNIA Committee's sole discretion, to permit others to reproduce in whole or in part the resulting SNIA Specification.

With respect to any essential patents held or controlled by Molex, including pending or anticipated to be filed applications, necessary to offer connectors compliant with the above listed Specification, Molex agrees to offer a license under reasonable terms and conditions that are demonstrably free of any unfair discrimination.
