Dear SNIA Board of Directors:

Based on the SFF-TA-1033 Rev 1.0, Luxshare can disclose some patents that may include essential claims, Our IP Disclosure is as below:

To Whom It May Concern:

Based on the SFF-TA-1033 Rev 1.0, Luxshare believes it has several patents that may include essential claims. These patents or applications include US 16/923,874, US 17/013,078, US 17/367,910, US 17/221,278, CN201920941373.7, CN201921496408.7, CN202021920435.5, CN202022118465.0 and CN202321201540.7 as well as their respective foreign counterparts, and may update accordingly from time to time.

Luxshare hereby agrees that if any of above mentioned patent claims are essential to the implementation of the proposed specification, Luxshare will grant a license to those essential claims on reasonable and non-discriminatory terms to companies requesting such a license. Please note that Luxshare reserves the right to increase the cost for a licensee that refuses to take a license and forces Luxshare to use legal action in order to enforce Luxshare's rights.

Sincerely!  
Wenwen Lin

主题: IP disclosure

Dear SNIA secretary

I am the Luxshare SFF committee representative. Some of the newly published SFF TA-xxxx specs have our IP's. We want to go through SFF IP disclosure process. Wenwen Lin will be our legal contact for this. He will contact you for the details of IP, and will work with you to disclose.

Thanks for your help!
