**Subject:** Molex LLC's Licensing Statement to SNIA for Specification SFF-TA-1035

To whom it may concern:

Molex hereby provides notice that has one or more pending patent applications that may results in one or more necessary claims directed toward features of the SFF-TA-1035 connector system. These patent applications include US Pat. Appln. Serial Nos. 18/407,447 and 29/919,199 as well as their respective foreign counterparts, some of which have issued. Molex hereby agrees that for any necessary claims of these patents (and any other patents Molex owns that include necessary claims) Molex will grant a license on reasonable and non-discriminatory terms to companies requesting such a license. Please note that Molex reserves the right to increase the cost for a licensee that refuses to take a license and forces Molex to use legal action in order to enforce Molex's rights.
