Subject: Molex IP Disclosure Statement for SFF-TA-1040 Rev 1.0

Follow Up Flag: Follow up
Flag Status: Flagged

To Whom It May Concern:

Molex hereby provides notice that it believes it has a pending patent application that may include one or more necessary claims directed toward features of the SFF-TA-1040 R1.0 specification. Molex hereby agrees that if such patent application, or any other patent application or patents owned by Molex, has necessary claims, then Molex will grant a license on reasonable and non-discriminatory terms to companies requesting such a license. Please note that Molex reserves the right to increase the cost for a licensee that refuses to take a license and forces Molex to use legal action in order to enforce Molex's rights.

Sincerely,

Egide Murisa
